

Pre-entry Preparation and Recommendations

Welcome to A-Level Economics at St Peter's School.

Preparation

Keeping track of economic news is very important and websites, such as these listed below, will help you to engage further with the course content and will introduce you to the different types of issues we will be addressing:

www.economist.com (the economist also has a great free app which you can download)

www.bbc.co.uk/news/business/economy/

<http://www.ft.com/uk/global-economy>

Recommendations

The recommended text book to accompany this course is **OCR Economics for A level year 1 and AS, by Peter Smith (Hodder Education) ISBN 978-1-4718-2989-5**. This book is developed in partnership with OCR to give you the best support for this course specification.

You will require the following resources for this course:

- Ring binder folder to store your notes and class work
- A calculator
- A4 Note pad
- Folder dividers to organise your notes effectively

We look forward to seeing you in September
